

Event Information and Details

Where your event is

Dear All,

Thank you for attending in Advanced Dentistry & Innovation and Exhibition Digital Dentistry Conference on Saturday 4th November 2023 holding by UKDentalcourses.com at Queen Mary University.

The event starts at 9:15, and registration starts from 9:05. Please come earlier to get a chance to talk and see what is offered by companies before talks start. This conference will be held at Arts Two Lecture Theatre, Queen Mary University (QMUL) at Mile End Rd, Bethnal Green, London, E1 4NS.

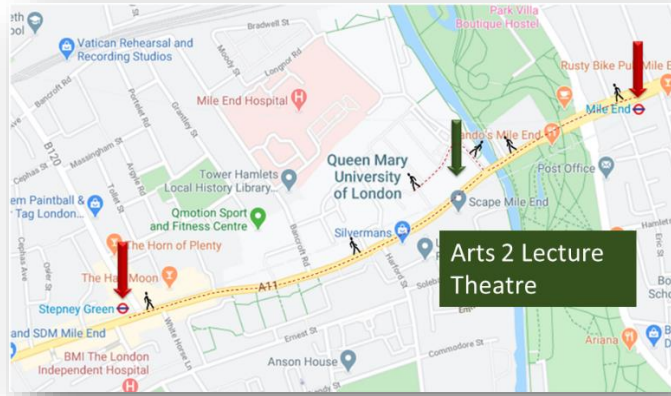

Public Transport

Train:

Once you have arrived at one of the London train station, you will then need to get a tube to either Mile End (DISTRRICT, Central line or Hammersmith) or Stepney Green (DISTRRICT or Hammersmith). Then it will be a few minutes' walk to the venue or location.

Queen Mary University is placed on Mile End Rd. Below is a map showing the route from both underground tubes to one of QMUL the main entrances.

Car:

Unfortunately, there is no car park available to offer delegates, unless you have a special need. Please make sure you have planned your parking in advance as it would be difficult and relatively expensive to find a place on the day of the course.

Building:

ArtsTwo Lecture Theatre is next to Laws Building. The East gate is closer to the ArtsTwo Lecture Theatre.
